Thermal Process Solutions from -50 °C up to 350 °C

Mr. Halil Erdogan, YMH Teknoloji

New partner in Turkey for SMT

SMT Thermal Discoveries works with a new partner in Turkey from now on.

Company YMH Teknoloji was founded in 2015 and already established as supplier of products and service for the electronic production industry at the Turkish market.

YMH Teknoloji offers its products and service to consumer electronics, LED lighting, military defence, industrial control electronics and medical electronics production companies. Their customers include well-known companies like Vestel, Arcelik, Jarel und Aselsan.

„YMH Teknoloji is a young company with a lot of experience and potential in the Turkish market. We are looking forward to the cooperation“, says Florian Graf, Sales Director Germany/Europe of SMT.

SMT Thermal Discoveries headquartered in Wertheim was founded in 1987 and is a manufacturer and global supplier of equipment for thermal processes. For more information visit www.smt-wertheim.com.
